ECO FRIENDLY

Conserving the natural beauty and biodiversity of our coast-line is very important to us.

We only use ethically caught seafood and everything we use, even down to the cutlery, is sustainably sourced and biodegradable as much as is possible.

**BRINGING YOU THE BEST OF THE
EAST LOTHIAN COAST LINE**

The Lobster Shack is BACK!!

In just its seventh season as a feature of North Berwick harbour, the Lobster Shack is on everyone's must-do list

Our charming little eaterie offers the sea's most plentiful bounty in a stunningly delicious and affordable way

You can sample beautiful lobster, crab, mussels and line-caught mackerel cooked to your liking, right before your eyes. The Lobster Shack is also fully licensed so you can enjoy it all with a cold beer, a crisp glass of wine or even prosecco

Our location not only guarantees a superb atmosphere and stunning views, it also means we are in close contact with the local suppliers; the fisherman. As a registered First Fish buyer, we buy the freshest catch directly from the boats in the harbour
